### **All Kewaunee County Snowmobile Trails – To Open**

(KEWAUNEE, WI) - Kewaunee County Promotions & Recreation Department reports the opening of all four (4) snowmobile sections in Kewaunee County effective at 5:00 P.M. Sunday, December 18<sup>th</sup> 2016.

Trails are reported to be in Poor - Fair condition. In addition, riders should use caution near the Black Ash Swamp north of Algoma. **Use Caution** - Groomers may be on trails and there is thin ice on waterways and swamps!

Riders are asked to use caution as trail conditions may be less than ideal in certain areas. Plowed and open fields may lack snow cover and riders are urged to watch out for water, slush, icy patches and drifting snow along the trails. Snowmobilers are also encouraged to stay on the marked trails and respect adjoining property owners. Hundreds of gracious landowners are responsible for the County's 290+ state-funded and club trails. Please respect their property and their privacy.

Also please be aware the Wis. Department of Natural Resources reminds all snowmobilers of Wisconsin law changes in the past year regarding trail passes – including one which requires snowmobilers with valid Wisconsin public use registration to buy an annual Wisconsin snowmobile trail pass.

Trails passes are \$30 for the annual pass or \$10 if a member of a snowmobile club affiliated with the Association of Wisconsin Snowmobile Clubs (AWSC). For information on AWSC discounts please visit: [www.awsc.org/Trail-Pass-Registration.aspx](http://www.awsc.org/Trail-Pass-Registration.aspx)

**Please check our 24-hour information line before heading out if you have any doubts about current trail status and conditions. That number is (920) 388-7199.**
